Presents

An in-depth Study of Miasms and Practical application in Chronic Cases

With

Tarkeshwar Jain M.D.

This seminar is for new and experienced homeopaths. Dr. Jain will share his knowledge on Miasms, treating Chronic Cases and how to deal with them.

Miasms & Chronic Cases: Today there are many patients who seek homeopathic treatment and come in with their long laundry list of ailments. Some of these patients have tried many other treatments before they came to see you and nothing seem to help them, yet. In this seminar you will see Dr. Jain discuss miasms in treating chronic cases. Sometimes this is the key to help the case move forward. Through his mastery of case taking, Dr. Jain will help you grasp the nuances to enhance your own ability to treat these cases.
