Join us for a Homeopathic Training Program in Jaipur, India

The Homeopathic Medical University in Jaipur have two campus one in Old Town and their new campus is at the edge of town.

Homeopathy was introduced to India in the early 19th century. During your trip to Jaipur you will experience the procedure of how local homeopaths take cases and the observation within the clinical training. Lectures and discussions on cases will be held and you will learn how Indian homeopaths practice.

We need a minimum of 15 people

Jaipur

Jaipur is the capital city of India. Jaipur is affectionately known as the "Pink City", as the walls of this historic City Palace are washed in a vibrant salmon color. The pink color was used to create an impression of red sandstone.

Every year many tourist come to explore the beautiful city of Jaipur. There will be opportunities for sightseeing in this wonderful city.
The Monkey Temple is a must so is the historic place where Vedic Astrology started at the Jaipur Observatory.
